

# Cross referencing Urantia revelation describing inorganic to organic evolution

= "A very long time evolutionally"

Life Carriers catalyze patterns of life on Urantia (P399:5, 36:3.3) ... inert patterns become living matter. ( P667:5, 58:4.1 / P560:1, 49:1.2 )

**P403:3, 36:5.15** Living mind, prior to the appearance of capacity to learn from experience, is the ministry domain of the Master Physical Controllers. Creature mind, before acquiring the ability to recognize divinity and worship Deity, is the exclusive domain of the adjutant spirits. With the appearance of the spiritual response of the creature intellect, such created minds at once become superminded, being instantly encircled in the spirit cycles of the local universe Mother Spirit.

These three mind types are structured as holarchies (P480:5, 42:10.2 / P481:4, 42:10.7)
